

JOHNSON SERVICE GROUP

ASHVINS GROUP
TECHNOLOGY PROFESSIONALS

**JSG PLUS ASHVINS:
A STRATEGIC ALLIANCE
ENGINEERED FOR SUCCESS
— OFFERING BOTH PROJECT
BASED SOLUTIONS AND STAFF
AUGMENTATION SERVICES**

Since 1983, Johnson Service Group has become known as a leader in the staffing industry throughout the United States and has maintained leadership by offering the most effective cross-industry staffing services available. Now JSG is teaming up with The ASHVINS Group, a consulting firm focused in providing project based solutions. ASHVINS Group has been serving clients since 2000 and is classified as a Woman Owned Small Business. ASHVINS Group specializes in deliverable-based engagements; coupling a strong technical base with PMI certified project management expertise. This partnership between JSG and ASHVINS Group is crafted to meet the unique needs of each client by offering a range of staff enhancement services from tactical engagements to full project lifecycle solutions or placement of quality talent into key positions by utilizing an extensive database of industry professionals.

WBENC Certified Woman Owned Business

*Johnson Service Group and The ASHVINS Group...
merging specialized staffing expertise with accomplished
project based consulting professionals; a collaborative
approach to better serve your business.*

The combination of Johnson Service Group's industry leading specialized staffing services with The ASHVINS Group's focused IT development, implementation and project management expertise provides a highly skilled resource pool to direct and accomplish complex projects. Clients working with JSG and ASHVINS have the option of either contracting full project based services or IT staffing to augment internal teams. No other company can offer such a complete range of professional services to help you utilize advanced technologies that translate your vision and concept into reality.
